Dear Sirs:

Grace Church & St. Stephen's has been incorporated under this name as a nonprofit corporation with the State of Colorado since at least 25 June 1973. For many years, the church also did business as Grace Episcopal Church. Currently, the EIN [REDACTED] for the corporation is under the name Grace Episcopal Church. The church has ceased doing business as Grace Episcopal Church and would like the name of the church on EIN [REDACTED] to be Grace Church & St. Stephen's.

Enclosed are a copy of the Article of Incorporation filed with the State of Colorado in 1973 and a copy of the Certificate of Good Standing with the state.

Sincerely yours,

Donald Armstrong
Rector, Grace Church & St. Stephen's
