Dear Mr. Watts:

This is in regards to the above taxpayer identification number listed above.

The Internal Revenue Service (IRS) has authorized the above entity *Grace and St Stephens Episcopal Church* to use the above taxpayer identification number since January 1965. Another entity has used your taxpayer identification number. The IRS considers this a form of corporate identity theft. The IRS notified this entity that this is improper and issued that entity a correct taxpayer identification number to use for tax accounting purposes.
